"A Complete Banking Service"

## Save Time— Bank by Mail

Time means money, to many of us, and here's a way to save both! It's a convenience, too, for everyone whose activities make it difficult to transact banking business in the usual way. We'll be glad to explain the procedure at your convenience.

Let us be content to work

To do the things we can, and not presume

To fret because it's little

## OUR DECLARATION OF PRINCIPLES

---

We believe that in essentials there is unity, in non-essentials liberty, and in all things charity.

We affirm that, "An honest man is the noblest work of God."

We scorn not to receive instruction from the humblest object that offers us a lesson.

We believe that a man's life consisteth not in the abundance of things he possesseth, but in the right use of God's blessings.

The highest object of our Order is to develop a better and higher manhood and womanhood among ourselves.

United by the strong and faithful tie of Agriculture we mutually resolve to labor for the good of our Order, our Country and Mankind.

## GRANGE CODE

---

I will be in my place on time.

I will pay my dues promptly.

I will endeavor to attend Grange meetings more regularly.

I will learn to state my motions in the fewest words possible.

I will refrain from criticism.

I will speak to the "stranger within our gates."

I will refrain from talking during musical selections the same as I would during an address.

I will avoid making motions in the negative.

I will be charitable. Each member has a right to promote measures in which he is interested and to defend those in which he disapproves.

I will vote to uphold my opinion, but when a vote is registered, I will submit graciously to the will of the majority.

I will always speak a good word for my grange and an encouraging word to the Master and the Lecturer.

I will try to make my Grange a better one for my being in it.

---

## NOTICE TO MEMBERS

---

If any member of the Dining Room Committee is unable to serve, kindly furnish a substitute or pay twenty-five cents (.25) to the Matrons.

The Chairman of each Committee is expected to solicit all food and take full charge of the meal.

All members are expected to bring food for all dinners and suppers or pay twenty-five cents (.25).

All Ladies of the Grange will meet the afternoon of the regular evening meetings.

All Sisters interested in promoting the welfare of the Grange both socially and financially are invited to be present.

No dues or fees are required.
